EXTREME HOMEMAKEOVER
POWERED BY M ONE DESIGN GROUP

DADDY'S HOME

Donor Packages

The Daddy's Home initiative aims to elevate and raise awareness around single fathers and their challenges. Each year on FATHERS DAY, we deliver a complete home makeover to a dad who is setting an example for other dads and showing what it looks like to step up. With the help of generous donors like you we are able to create a beautiful living environment that dad, and his children, can be proud to call home.

HOW CAN YOU HELP?

Included are packages of items needed with QR Codes to make this a success.
